

FARMERS' MARKET – SET FOR AUTUMN

With the stunning autumn weather of crisp evenings and mornings with sunny days in between – what better way to enjoy a Sunday morning than by strolling through the Whitehorse Farmers Market.

With over seventy stall holders sharing their farm grown produce with the city folk, it is a sight to see as the crowds flock in from 8am through to 1pm.

Colour galore with amazing flowers, oranges and orange juice, honey from Mildura, vegetables direct from the farm from the Peninsula, Swan Hill or other rural communities. The queues for the stunning meats of several varieties are a sight to behold, pasta, breads, our regular egg suppliers from Green Eggs and Jeni's Eggs and olives and chocolates!

To accompany your coffee, why not enjoy an Egg & Bacon Sandwich from the Rotary stand or a delicacy from one of the many vendors with “tempters” so perfect in taste!

Every second Sunday of the month - Mark your diary now!

Where: At the rear of the Nunawading Civic Centre, Maroondah Highway, Nunawading
(Between Springvale Road & Rooks Road)
